LET YOUR GUESTS EXPERIENCE THREE  
SWEDISH FESTIVALS ON THE VERY SAME EVENING**

## THREE TRADITIONAL SWEDISH FESTIVALS – MIDSUMMER, CRAYFISH PARTY AND CHRISTMAS EVE

When you're hosting international guests, why not give them a real taste of Swedish culture – the traditional Swedish festivals. Companies such as Culinar, Tarkett, IKEA, Stora Enso, Posten International like to entertain their guests in this way. We offer a slice of Sweden by celebrating three Swedish festivals all in one evening! Typical Swedish dishes, costumes, songs and carols all in a traditional setting. Everything is in English and we ensure a night to remember. SWEDISH FESTIVALS is an evening exclusively available at ÅhusStrand.

# SWEDISH FESTIVALS

Starting with Midsummer Eve – we dance around the Midsummer pole, eat strawberries, herring with new potatoes and drink schnapps. After this we move to another room, all set for a true Swedish crayfish party. We eat crayfish and sing the mandatory songs. After the crayfish party we proceed to the Christmas cabin, where we meet Santa, drink Glögg, and enjoy a traditional southern Swedish Christmas dinner and all the classic condiments that go with it.

Swedish Festivals can be arranged all year round for international groups. Everything is of course in English and we offer your guests a slice of Sweden in a most entertaining way. We can guarantee that your guests will have an enjoyable and unforgettable evening. Swedish Festivals is best suited for companies of between 8–150 persons, although the largest party catered for to date has been 312 guests.

Welcome to ÅhusStrand and Swedish Festivals.
